Hi there,

Congratulations on clearing **Round 1** ! We are thrilled to share that you are among the **Top 1,500 students** who have successfully progressed to the next stage.

Welcome to **Round 2** of **The Big Code 2026**! The competition is stepping up, and we hope that you are ready for the challenge.

Please find the details for the upcoming **Round 2** below:

What's next?

			
Challenge Stage	Schedule	Format	Access
Round 2	You can take the test anytime between 2 PM to 9 PM on 28th March 2026 i.e. Saturday	Duration: 2 hour 3 programming questions	You will receive the test link directly from HackerEarth .

Please keep an eye on your inbox for the **Round 2 test link** from HackerEarth.

IMPORTANT: Reach out to support@hackerearth.com for any technical concerns regarding round 2.

Here's wishing you the best of luck!

Please do not share this email with anyone else.

**All students confirmed to participate are based on the credibility of information shared during registrations. In the event that the information is found untrue, the student will be disqualified immediately. The Google Team will make the final decision.*

PS: Interested in career opportunities with Google either now or in the future? You can make applying to your future role at Google easier than ever by completing your [Google Careers profile](#) today.

Regards,
